Equipment Hire Guide

'Get the Job Done'

Certificate Number 10470
ISO 9001
ISO 45001

Introduction

Welcome to our hire catalogue, where you can find a taste of our extensive range of equipment, providing you and your teams with everything you will need to get the job done safely, efficiently and on time.

You can use this resource to help you choose the right equipment for your application; however, a member of our dedicated team will always be on hand to answer all your questions and can be contacted via: [Webchat](#), [Phonecall](#), [WhatsApp](#), [Email](#) or by calling into one of our 7 branches across NI.

At Balloo Hire, providing quality and value is at the heart of everything we do, which is why we continually invest in new products and equipment, and we give you our firm commitment to always provide you with class leading, fresh equipment from the top manufacturers.

We passionately believe that our people, our products, and our services can make a real difference to your business. We are accredited to ISO 9001 and 45001 standards in quality and health & safety, and we are one of only a few select businesses to have attained the prestigious IPAF Rental Plus quality mark. This is clear evidence of our continued commitment to quality, communication and continual improvement.

Our extensive team of experts are trained to provide first-class customer service and we have invested heavily in a best-in-class dedicated transport fleet. This enables Balloo Hire to be the equipment rental provider of choice for so many of UK and Ireland's businesses and deliver on time, every time!

Thank you for your continued support.
